Chris and Daniel - I'm giving a talk on SSOs at the California Water Environment Association conference in Monterey on Feb 28. I'll talk mostly about EPA compliance and enforcement activities. But I want to mention that there are citizen suits on collection systems and maybe even show a list of the cases. I got the following list from Bryan Brock at the SWRCB. Do you know if there are any other cases? Do you know the names of the plaintiff groups and status of the following cases?

1. Camp Pendleton Marine Corps Base (R9) - plaintiff?, consent decree
2. City of Fort Bragg (R1) - plaintiff? (Is this a Jack Silver case?), status
3. City of Los Angeles (R4) - Santa Monica Baykeeper and community groups, consent decree
4. City of Pacifica (60 day notice) (R2) - plaintiff?, status?
5. City of Pacific Grove (R3) - plaintiff? (isn't this your case Chris?), consent decree?
6. City of Petaluma (60 day notice) (R1) - plaintiff?
7. City of San Diego (R9) - SD Baykeeper and Surfrider, in settlement negotiations
8. City of Santa Rosa (R1) - plaintiff?, status?
9. City of Vallejo (R2) - plaintiff? (Cooper?), consent decree (is this decree still active?)
10. Fallbrook Public Utility District (R8) - plaintiff?, status?
11. Lake County Sanitation District (R5) - plaintiff?, status?

12. Sonoma County Water Agency (60 day notice) (R1) - plaintiff?, status?
